

EXIT INTERVIEW POLICY

GENERAL POLICY

An exit interview is used to gain insight into the reasons why employees leave employment with the Beloit Public Library, to help measure the effectiveness of Library personnel and managerial practices, to determine where personnel policies and practices may need review, and to determine if supervisory or managerial practices need modification or improvement.

In order to accomplish the above purpose, the Library will send an exit inquiry form and will offer an exit interview to each full-time and regular part-time employee leaving Library employment.

PROCEDURE

1. When the Library receives a letter of resignation or notice of termination, the Library will send the employee who is leaving an Exit Inquiry form. The Library will also send an Authorization for Release of Information form. Copies of each form are attached to this policy.
2. Return of the forms will be voluntary.
3. All exiting employees will be offered the opportunity to have a personal exit interview with the Library Director or his/her designee. This offer will be stated on the Exit Inquiry form.
4. All information obtained on the form or in the personal interview will be kept confidential to the extent possible.
5. Forms and records of interviews will be maintained by the Library.
